Dear Sir/Madam:

Re: Inquiry

I am writing to you in your capacity as Commission Counsel for the Inquiry.

I have been authorized and instructed to seek Standing for 156 Square One Limited.

As I believe you are aware, 156 Square One Limited was a co-owner of the lands and development project which is of interest to the Inquiry.

I understand that, in seeking Standing, 156 Square One Limited, accepts that it is subject to the Rules of the Inquiry, which are posted on the Inquiry's website.

As discussed with you, my instructions are to cooperate in all reasonable ways with the Inquiry, and I look forward to hearing from you as to how the Inquiry will be proceeding.

Yours truly,

D.H. Jack
